

MENTERI LUAR NEGERI MALAYSIA
MINISTER OF FOREIGN AFFAIRS MALAYSIA

Welcoming Message from
The Honourable Dato' Sri Anifah Hj. Aman
Minister of Foreign Affairs, Malaysia,

I am especially delighted to welcome the UNICEF-United Buddy Bears Exhibition to Malaysia. This colorful initiative does not only promote the message of multicultural tolerance and understanding, but is also a unique work of art that serves to promote the important work of UNICEF in supporting the needs of our children and thus Malaysia is proud to be part of this endeavour.

I hope that the many people that come and visit the United Buddy Bears Exhibition would enjoy its vibrant and diverse colours and patterns created by artists from all over the world and appreciate the tremendous effort in bringing them to Kuala Lumpur, Malaysia from its previous exhibition site in Berlin Germany.

I also view this exhibition as a symbol of the warm relations between Malaysia and Germany and would like to wish the best to all the parties involved in this project.

ANIFAH AMAN
